Finding Meaning in Art

n his Letter to Artists in 1999, Pope John Paul II wrote:
In order to communicate the message entrusted to her by Christ, the Church needs art. Art must make perceptible, and as far as possible attractive, the world of the spirit, of the invisible, of God.
Write about a piece of art with which you are familiar, perhaps a piece you see in your local church or in one of ext books, which helps you to appreciate or to communicate with the mystery of God. You could also search foliece on the internet. Describe the piece and say how and why it speaks to you personally.
