

The Early Christians

Write a short note on Corinth at the time of Paul's journeys?

We have seen some of the problems faced by the early Christian communities. Think about Christian communities today. What are the problems faced by the Church in the modern world? What advice would you offer to those who wish to be faithful followers of Christ?

Why do human beings form groups and communities?

What group/community do you belong to?

SECTION B | LESSON 25 | WORKSHEET 1

Have you ever experienced difficulties in the group? If so how might they be resolved?

Saint Paul wrote a letter to the people of Corinth, called St Paul’s letter to the Corinthians. This is one of the most famous passages from the letter:

Love is patient; love is kind; love is not envious or boastful or arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice in wrongdoing, but rejoices in the truth. It bears all things, believes in all things, hopes all things, endures all things. Love never ends. (1 Corinthians 13:4-8)

What are your thoughts on the passage? Do you find it challenging?
